

JUNIOR HIGH & HIGH SCHOOL FOCUS WEEKS

WEEK 9 (5/6) ~ WEEK 12 (6/2)

Welcome to Focus Weeks! Between Weeks 9 and 12, you will have the opportunity to choose between our different course offerings:

Did you sign up for an English exam? Then Test Prep is for you!

Want to learn more about the environment, the science of change, or video games? Then take one of our online Discovery courses!

Who Moved My Cheese? Change Adaptation for the 21st Century

Schedule:

Mondays & Thursdays from 18:50-20:45 (Online Only)

Explore the challenges and opportunities presented by rapid change! We will discuss the key ideas of *Who Moved My Cheese?*, examine case studies of companies that have faced rapid change, and discuss the neuroscience of change resistance. You'll then put what you've learned into practice by creating personal or organizational action plans.

Environmental Science 101

Schedule:

Tuesdays & Thursdays from 18:50-20:45 (Online Only)

The natural world is teeming with a diverse array of life and now, more than ever, it is vital that we seek to understand our place alongside it. Join us as we explore the living world in all its wonder, and ask what we can do to ensure its safekeeping for generations to come.

Video Games Through the Ages: A History

Schedule:

Wednesday & Fridays from 18:50-20:45 (Online Only)

Whether you're a part-time gamer, a curious onlooker, or a Twitch star in the making, this course is guaranteed to excite! Join us as we dive deep into the world of video games, exploring their origins, exploits, and the undeniable influence they will have on all of our lives in the future.

Take an English Exam!

In the Eiken, TOEFL, and UNATE Test Prep classes, we'll go through the skills and strategies you need to ace your exam! Your regular classes will change into a Test Prep class for Weeks 9 to 12 as follows:
