

KIKOKUSHIJO ACADEMY

# Spring Day Camp 2025

Toritsudaigaku East  
Medaimae, Meguro, Funabashi

March 26th - 29th  
April 1st - 4th

## Grade 2

### KA TIME MACHINE: Terrific Twentieth Century

Learn about some cool inventions and how visionaries achieve their dreams of improving the world through technology!

### Energy All Around Us

Through fun experiments, you'll learn about the different kinds of energy we use in our daily lives!

## Grade 3 & 4

### KA TIME MACHINE: The Resourceful Romans

Let's go back to 2,000 years to learn about how talented and clever ancient Romans were!

### The Science of Light

You'll learn why the sky has different colors at different times. You should be excited since you'll make your very own Smartphone Projector!

### Arts and Crafts

Explore your creative side this spring!  
Create your own masterpieces inspired by nature, influential artists, and your own imagination!

**Sign up from  
March 8th - March 15th!**
