**BOOK CLUB**  
Our Book Club classes encourage students to build confidence, improve reading comprehension, and develop a deeper enjoyment of literature through guided weekly reading and discussion. With tiered levels available for Grades 3-4 and Grades 4-6, students can explore engaging stories while practicing vocabulary, critical thinking, and conversation skills in a supportive classroom environment.

**INSIDE ART**  
Inside Art: Exploring Culture Through Art teaches us how to look closely at art and discover what it can tell us about people and places around the world. In each lesson, you'll explore art from a different country, talk about what you notice, and share what you think it means. In each lesson you'll also have the chance to create your own artwork inspired by what you've learned.
