new and featured classes this month!

SCIENCE MYSTERIES

Science Mysteries is back! Solve exciting 'whodunit' cases using science as your guide. Work together and think critically to crack mysteries. Join us for a fun adventure where detective work meets science!

DRAWING FROM OBSERVATION

Learn how to draw everything from still life drawings to landscapes! You'll learn many different art techniques to help you become an incredible artist!

READING WITH CONFIDENCE

Want to become a stronger reader? In this supportive class, we use stories and academic texts to build comprehension, vocabulary, and reading skills. A great way to read with more confidence and understand texts more clearly.

ZENITH & APEX COMPANION CLASSES

Zenith Edge, Zenith PLUS, Apex Accelerator, and Apex PLUS can be used to preview upcoming KA material or review it afterwards, helping students strengthen their understanding, build confidence, and explore weekly themes and ideas in greater depth.
