## new and featured classes this month!

### WORLD NEWS & CURRENT EVENTS

Want to know more about what's happening in the world? In this discussion-based class, we talk about important news stories and global events that affect our lives. Share your ideas, build confidence, and understand the world around you.

### VOCABULARY RAPID RECALL

It's time to test your vocabulary? In this fast-paced class, we practice useful words through quick mini tests and fun challenges. Build your vocabulary, improve test skills, and get faster at finding meaning from context.

### READING WITH CONFIDENCE

Want to become a stronger reader? In this supportive class, we use stories and academic texts to build comprehension, vocabulary, and reading skills. A great way to read with more confidence and understand texts more clearly.

### TIME MACHINE: A JOURNEY THROUGH HISTORY

Step into the past and explore the people, events, and ideas that shaped our world. In this class, we use discussion, reading, and critical thinking to understand how history connects to life today. A great class for curious students who want to discover the past and think about the future.

### ZENITH EDGE & ZENITH PLUS

This month, we are excited to introduce two new companion courses connected to our KA Zenith program: Zenith Edge and Zenith PLUS. Designed to support and extend the weekly material, these classes offer students new ways to review key content, deepen understanding, strengthen discussion skills, and build greater confidence both inside and outside the classroom.

### APEX ACCELERATOR & APEX PLUS

We are also pleased to introduce two new companion courses connected to our KA Apex program: Apex Accelerator and Apex PLUS. Designed to help students get more from the weekly Apex material, these classes provide additional support, deeper discussion opportunities, and new ways for students to strengthen understanding, build confidence, and engage more fully with the themes explored in class.
